1. To discuss quotation for addition lighting at the recreational ground **DISCUSSED** the committee agree one additional light is needed to replace the broken light on the side of the pavilion that points at the carpark .

26/05 **Recreational Facilities- Little Downham**

1. To consider Little Downham Crickets requests **DISCUSSED** the Committee recognised the importance of the cricket nets and the positive contribution they would make to supporting youth cricket in Little Downham.
   Following discussion, the Committee agreed that the nets should be permanently located to the left of the recreation ground, next to the shelter. It was suggested that the nets could be secured to the shelter with a chain to help protect them from theft or unauthorised removal.
   The Committee considered this location to be the safest and most suitable option, as it would keep the nets secure and positioned out of the way of other recreational activities. This suggestion will be taken back to full council in November.
2. To consider allowing Ely City Cricket to use Little Downham cricket pitch for the 2027 season with the same terms **DEFERRED** Little Downham cricket are awaiting communications from Ely Cricket to ensure they are happy to support Little Downham with maintenance of the wicket when necessary. A decision will be made after these coms have been received.

26/06 **Date of next meeting**
